

**UofA** DIVISION OF AGRICULTURE  
RESEARCH & EXTENSION  
University of Arkansas System

# Managing crops AFTER the FLOOD

5 p.m. June 21, 2021, Dumas, Arkansas

## AGENDA

4:30 p.m. — Sign in.

5 p.m. — Welcome by Larry Earnest, director Rohwer Research Station, Arkansas Agricultural Experiment Station, University of Arkansas System Division of Agriculture.

Each of the following presenters will offer a brief overview of the situation within their field of expertise. All of the presenters are with the Division of Agriculture unless otherwise specified. All will take questions at the end. This evening's presenters are:

- Cotton — Bill Robertson, extension cotton agronomist
- Soybeans — Jeremy Ross, extension soybean agronomist
- Corn — Jason Kelley, extension wheat and feed grains agronomist
- Rice — Jarrod Hardke, extension rice agronomist
- Soil fertility — Trent Roberts, associate professor – soil fertility/soil testing (via Zoom)
- Water management — Chris Henry, associate professor
- Weeds — Tommy Butts, extension weed scientist
- Insects — Extension entomologists Gus Lorenz, Ben Thrash and Nick Bateman.
- Crop insurance — Adam Frazier, Delta Crop Insurance.
- **Q& A Session**
